Policies and Standards Review

Landscape architectural practitioners in the Province of Manitoba should be familiar with the following Federal, Provincial and City of Winnipeg Policies and Standards:

- Canadian Environmental Assessment Act and Regulations (www.ec.gc.ca)
- National Master Specifications
- National Building Code of Canada
- Manitoba Building Code 164/98 (www.gov.mb.ca)
- Manitoba Labour and Immigration: *The Builders' Liens Act* (www.gov.mb.ca)
- Manitoba Labour and Immigration: *The Workplace Health and Safety Act* (www.gov.mb.ca)
- Manitoba Building Code 164/98 (www.gov.mb.ca)
- Manitoba Transportation and Government Services: *The Highway Traffic Act*
- Manitoba Intergovernmental Affairs: *The Planning Act of Manitoba* (www.gov.mb.ca)
- City of Winnipeg: Plan Winnipeg 2020 Vision (www.winnipeg.ca)
- City of Winnipeg: *Zoning By-law No. 6400/94* (or subsequent version)
- City of Winnipeg: *Downtown Winnipeg Zoning By-law 100/2004* (www.winnipeg.ca)
- City of Winnipeg: Universal Design Policy (<http://citynet.intrahom/ud/>)
- City of Winnipeg: Downtown Urban Design Guidelines
- City of Winnipeg: Urban Forestry Guidelines
- City of Winnipeg Standard Construction Specifications
- Other Manitoba Municipalities: Relevant Development Plans and Zoning By-laws
