MALA eLetter #5 July 4, 2016

The **2016 CSLA Congress** held in Winnipeg from June 23-25, 2016 was a triumph! Organizing Committee Co-chairs **Bob Somers** and **Bhavana Bonde** worked hard to ensure that the program and scheduled events went smoothly, and special thanks are also extended to **CSLA Executive Director Michelle Legault** for her administrative and organizational expertise. Of course, MALA gratefully acknowledges our generous sponsors and the many volunteers who devoted considerable hours to the success of this three-day conference. Thanks to all for a job well done!

Landscape architects now set their sights on **the 54th IFLA World Congress and World Design Summit**, to be held in Montréal in October 2017. For more information, please visit www.worlddesignsummit.com.

If you have not already done so, please save the date for the 2016 MALA Golf Tournament, which will be held on Friday, September 9, 2016 at the Assiniboine Golf Club. Registration and sponsorship forms will be distributed soon, so watch your inbox for more information!

Another reminder for those who would like to celebrate the life of the late, great **Garry Hilderman, FCSLA**: Join friends and colleagues at 4:00 pm on Tuesday, July 5th at Upper Fort Garry Provincial Park, Broadway and Main Street, Winnipeg.

Following acceptance by the Examining Board, several membership applications were approved at a recent Council Meeting. We are pleased to welcome the following individuals to MALA:

Jennifer Hackett-Moore was accepted as an Active Out-of-Province Member. Jennifer graduated with a Diploma of Landscape Architecture in 1997 from Ryerson University and a B.Land.Arch. in 1999 from the University of Guelph. She has been a member of CSLA (through OALA) since 2011, and has been employed with *IBI Group* since 2012.

Taylor Bishop was accepted as an Associate. Taylor graduated with a B.Env.D. in 2012 from the University of Manitoba and a M.Land.Arch. in 2015 from the University of Toronto. She has been employed with *Little Bluestem Landscape Architecture & Design* since 2015.

Publication of the MALA eLetter will be suspended until Council meets again in the fall. In the meantime, watch for announcements regarding various events being organized to celebrate **Manitoba Landscape Architecture Month** in September.

Have an amazing summer!

Regards,
Valerie Lindberg
